

MAZDA MX-5 RF: BOLD & ICONIC.
THE ULTIMATE ROADSTER HAS ARRIVED.

THE RETRACTABLE FASTBACK

The Mazda MX-5 RF was born from the desire to bring the heart-pounding excitement of driving to a more sophisticated design. An adventurous evolution of the MX-5, it's not just a hardtop, not just a convertible. It's an innovative fastback. In about 13 seconds, its retractable roof slips away, retaining the poised fastback profile with sinuous lines that always seem in motion. Polished, charismatic, muscular. And now, significantly more powerful.
